FXAH-120-GRABO-GREENLINE

FXAH-120-GRABO-GREENLINE with FXAH-120-SOLO-Set

FXAH-120-GRABO-GREENLINE with FXAH-120-DUO-Set, bottom right: additionally with wheel set VPH-RS

FLIEGUAN-BATTERY-HANDY FXAH-120-GRABO-GREENLINE

max. 120 kg/265 lbs

Designed for landscape contractors and tilers, for quick and ergonomic lifting, moving and laying of absorbent concrete slabs, natural stones, tiles and other absorbent building materials.

BATTERY-HANDY is placed on a slab or tile, switched on, and then sucks onto the surface without any downward pressure. The vacuum is released again by pressing another switch.

- Considerably easier laying, as there is no need to grip on the side, especially for the last slab.
- Less risk of edge damage, as laying is more precise and with a better view.
- Light and handy.
- Fast suction due to high air volume flow.
- Ergonomic arrangement of the operating switches.
- Powered by a rechargeable 14.8 V lithium-ion battery (exchangeable battery concept).
- Battery life: approx. 1.5 to 2 h in continuous operation, in normal operation up to one day.
- Increased safety through battery status LED.

Scope of delivery:

FXAH-120-GRABO-GREENLINE: Vacuum hand laying device, Charger (multi-range voltage 110 V to 240 V) 1 x lithium-ion battery, spare rubber seal and replacement filter. Supplied in lightweight soft case.

FXAH-120-GRABO-PRO-LIFTER-GREENLINE: Vacuum hand laying device, Charger (multi-range voltage 110 V to 240 V) 1 x lithium-ion battery, carrying strap, spare rubber seal and replacement filter. Supplied in a high-quality, waterproof plastic case.

VPH-RS: Lay slabs even more easily and conveniently on large wheels – quickly and efficiently. Easy attachment to VPH, FXAH-120-SOLO-Set and FXAH-120-DUO-Set.

FXAH-120-GRABO-PRO-LIFTER-GREENLINE: With integrated pressure switch. As soon as the required pressure is reached, the pump switches off. When the vacuum drops, the pump switches on again. With digital manometer for displaying negative pressure or load capacity.

FXAH-120-SOLO-Set: Hand carrying handle with adapter for one person. For ergonomic moving and laying of building materials. Release operation via foot pedal.

FXAH-120-DUO-Set: Hand carrying handle with adapter for two persons. For ergonomic moving and laying of building materials. Release operation via foot pedal.
